Boot camp

Le Wagon Coding Bootcamp

Jul 2022 – Sep 2022 | Online

9-week full-time intensive coding Bootcamp, covering the full stack of web development from database to user interface. I have successfully implemented a clone of AirBnB and a Rails prototype of Travel Map, collaborating remotely with teammates using Trello, Slack, and screen sharing to address issues, bugs, and unfinished features.

Professional Experience

Web Developer

EU Ramen

Jul 2024 – Sep 2024 | Dusseldorf, Germany

In my first freelance project, I spent three months developing the website for EU Ramen.

- Developed a responsive design for optimal viewing across devices.
- Integrated multilingual features for broader accessibility.
- Managed user experience (UX) to enhance usability.
- Contributed to content translation, expanding the client's international reach.

Part-time manager

Brickny Europe GmbH

Oct 2018 – May 2022 | Dusseldorf, Germany

Managed workflow at two restaurants, Daidokoro Umaimon and Yaki-The-Emon, overseeing service, training staff, and resolving customer complaints to maintain high satisfaction levels. Supported other locations as needed and assisted with kitchen tasks at Umaimon to ensure team efficiency.

Head Server

Chef's Studio Japan

Oct 2012 – May 2015 | Canmore, Canada

Delivered excellent customer service to diverse clients, consistently exceeding expectations. Trained new employees to uphold high service standards, managed complaints to improve quality, and ensured a clean, secure environment while handling closing procedures.

Childcare Worker

Ryogaoka Nursery School

Apr 2006 – Mar 2012 | Kyoto, Japan

Worked as a class teacher for children aged 1 to 5. Created weekly, monthly, and annual lesson plans, completed child records, conducted parent-teacher meetings, and managed various events. Developed observation skills, organizational abilities, and communication skills, while learning to make decisions to meet diverse needs.
